

A fantastic gaming offer and an unique business idea!

DailyPoker have an unique gaming offer in the market! DailyPoker are also the only gaming company in the market that offers you an opportunity to make an unlimited profit on marketing the gaming product.

DailyPoker offers 10 different commissions which you can read more about in the competence document. Most of the commissions at DailyPoker are repetitive. That means that the effort you do today you will get paid for month after month, year after year. This short presentation tells you about the 4 commissions we wish that you focus on first.

1. Rakeback

At DailyPoker you get back 27 % of the rake you have generated. Rakeback at DailyPoker is without obligations and is paid out regardless of how big or small your turnover is twice a month.

2. Reference commission

Persons you refer yourself becomes your referred members for ever. Each time your members play they generates rake and thereby rakeback to themselves. Each month you get reference commission which is 20% based on the rakeback received by your refered members.

3. Sub reference commission

You can aslo get commission on the members referred by your referred members. Each month you and your referred members combined generates €1.000 in rake turnover you receive sub reference commission which is 10 % based on the rakeback received by all members referred by your referred members.

4. Magic commission

Is a revolutionary commission which gives you the opportunity to get commissions from the rake from up to thousands of DailyPoker members. This is a commission system based on points where you generate points in 7 ways. The higher monthly point score you get, the higher you climb in the Magic list and the higher commission you get. The system re-starts every month and gives everyone a chance to climb to the top!

DailyPoker gives you many tools and a lot of competence that will optimize your opportunities. Join the most revolutionary concept the gaming business has seen. Join NOW!
